

*OLS Bellevue College Presents:*

# SKILLS *for* WORK Summer Camp

*for Young Adults  
with Disabilities*

Are you starting to wonder what life will be like after high school? Are you ready to explore your transition to college or your first job?

The purpose of this two week camp is to introduce workplace readiness skills and career options to students planning to pursue college or vocational pathways. Through fun, engaging activities and discussions facilitated by highly trained OLS Bellevue College staff, students will identify their unique strengths and explore options for their future in a safe, friendly environment.

If you are a young adult between the ages of 16-19, have a cognitive or physical impairment or disability that could be a barrier to employment or college, and no history of disruptive behaviors, this camp is for you!

*Join us and jump start your future!*
