Notes:

1. This course guide is for information purposes only and subject to changes in course offerings at BC and at other institutions
2. These courses may not be directly equivalent to BC courses, but are acceptable to meet the nursing admission requirements
3. ALL courses require a minimum grade of "C" or 2.0
4. High school Chemistry with lab is no longer accepted
5. BIOL 241 & 242 should be taken at one institution
6. All science courses \* (BIOL 241, 242, 260 and CHEM 121) have a seven year time limit policy.
7. CMST 280\*\* is now a co-requisite course. Applicants do not need to complete the course for admission. However, it is strongly suggested that students in the Full-Time Program take this course before starting the nursing program. Students in the Part-Time Program must complete it before applying for graduation.
